Who are We?

The Yale Club of Silicon Valley serves Yale University alumni living and working between South San Francisco, California (to the north), and San Jose, and Santa Cruz, California (to the south). The YCSV's territory includes all of the Peninsula and the Silicon Valley, home to roughly 2,500 Yale alumni and Yale parents. The Club sponsors events and joins with other clubs, including other local Ivy League clubs in the area to co-sponsor events.

As a fully volunteer organization, our programs and events are what you, the local Yale community, want them to be. Bring a speaker or a topic to our attention, plan an outing or happy hour, use your writing, web, and graphic skills, or even gain valuable experience organizing small or large events. Don't just sit there. Please Join Us!

The Future of YALE

Investing in the future of Yale has long been a YCSV priority. The Alumni Schools Committees (ASC) consist of local alumni who interview undergraduate applicants to Yale. Most of the activity is in January and February of each year and takes only a few hours. Interviewers are always needed and welcomed! It is a great way to reconnect with Yale, meet some interesting local young people, and participate in the next generation of Yalies.

Connecting with the Yale Club

Get updates on local Yale-related news, activities, and events by subscribing to the Yale Club of Silicon Valley email notification list, YaleSV. To join, send a message to YaleSV-subscribe@yahoogroups.com or go to <http://groups.yahoo.com/group/YaleSV/>. The list is moderated and typically there are less than 10 messages per month.

Membership— Time for 2006!

What are some of the benefits of Membership?

- Members have priority in reservations for events where space is limited.
- Members pay reduced rates for many events, speakers, and other activities.

YCSV is a totally volunteer organization. Membership fees cover infrastructure costs (phone, mailings), advance deposits required by some venues, and help us keep event prices reasonable.

Special Joint Membership

Since many members live/work between San Francisco and the Peninsula, you may also take advantage of a special discounted Yale Club of San Francisco/Yale Club of Silicon Valley joint membership. You'll receive the benefits of both clubs for a reduced price.

All memberships are on a calendar year basis (January to December).

Please send a check or charge the fee to your Visa or Mastercard now!

The Yale Club of Silicon Valley is a non-profit organization. Your contribution may be tax deductible.
